

The Week @ Eastcombe

Foreword from the Head

Date: 16/3/2018 Issue: 10

Aim high, believe and achieve.

After consultation with the children, parents, staff and governors this is the new Eastcombe Primary School motto. This motto will be a focus for the children throughout their years at our school and will hopefully inspire them to be the very best that they can be. We want to foster confidence and belief in all of our children and celebrate all their different achievements.

You will see it feature on the website, newsletters and of course in school.

Our new school values are:

Respect, Resilience, Responsibility, Collaboration and Kindness.

We will be working hard to introduce these values to the children in a fun and inspiring way and then these values will be at the heart of everything we do.

Thank you to all stakeholders who contributed, we have a new motto and set of school values that we are very proud of.
Mrs Jones

Wildlife Quiz

This week four of our children have taken part in the annual Wildlife Quiz. Harriet, Karah, Abi and Kate worked well as a team and individually to represent our school. Our opponents were Oakridge school and it was a tight competition with only 3 points between us. Oakridge were the winning team, however we have our fingers crossed that we might proceed to the next round as high scoring losers. There were 5 rounds of questions to answer, which got progressively more difficult. A big thank you to Anna for her help.

Diary Dates:

March

Mon 19th—Bikeability Y5, Y3&4 cross country at Stratford Park 4-5pm. PPG meeting 7.30pm
Weds 21st—Hedgehog Class Assembly 2.45pm

Cross Country Running

Children from Years 3,4,5 & 6 have recently been taking part in a series of cross country running events. They have shown skill, tenacity and a great sporting spirit in each race.

Good luck to the children who have races still to come, especially to those who are competing at the County events.

A huge thank you to Mrs Fowles who accompanies the children to these events, giving up her free time and acting as a great coach and cheerleader!
