

The Week @ Eastcombe

Foreword from the Head

Date: 2/3/2018 Issue: 9

I hope you have all enjoyed the recent snow days and extended weekend. It has been lovely to hear how families have spent time together whether it was sledging or cuddling up with a hot chocolate or DVD.

Hopefully the weather will get warmer now, after all we are officially in Spring and the clocks go forward in a matter of weeks!

This term is action packed and I would like to draw your attention to the diary dates listed below. We will continue to keep you updated with text messages, letters and posts on the website.

Good luck to the Y5 & Y6 children who are taking part in the Mock Trial later this week. They have been working hard on their case and are feeling confident. We are also competing in cross country races and the Wildlife quiz over the next few weeks, so good luck to all those taking part in competitive events.

Please look out for the article in the Stroud News and Journal about our recent OFSTED success. The online version is available to read now and the paper version will hopefully be published next week. We are all still very much on a high and proud of our achievements.

Well done to our Y6 children who have got into their preferred Secondary schools. We will be sad when you leave but there is plenty of fun to still be had before July!

World Book Day

Apologies that we were not able to celebrate World Book Day last Thursday. We have decided to rearrange the day for Friday 9th March.

It would be fantastic if the children could come into school on Friday dressed as their favourite book character. There will be a day of book/reading activities planned. Book tokens will be given out on Friday.

Parent Partnership Group

The next meeting of the Parent Partnership Group will take place at school on:

Monday 19th March, 7.30pm.

We will be discussing the following:

- ◆ Our recent OFSTED
- ◆ Marketing the school
- ◆ Home and School Agreement

Plus an opportunity to talk and listen.

Diary Dates:

March
