

Dungeons and Dragons

Spring Term 1

Squirrel Class

Music

This term, we will be inspired by a Rock song for children- I Wanna Play in A Band.

Art

During Art this term, we are going to become architects. We are going to explore architecture before creating our own castles.

English

During English, we will be focusing on stories with a fantasy world. We will continue to focus on letter formation to support our handwriting.

Maths

EYFS- We will focus on measurement including mass, capacity, length and height. We will continue to delve deep into the numbers up to 10.

Year 1 and 2- This term we will start our addition and subtraction unit before moving onto multiplication and division.

Science

During science, we will learn about animals, including humans. We will look at common animals as well as the different parts of the human body.

Computing

This term we will be writing robot algorithms. We will develop our understanding of instructions in sequences using Bee-Bots.

PE

Monday- Perform dance using learned movement patterns.

Thursday- Develop balance, agility and co-ordination and begin to apply these in a range of activities.

History

During History we will use different media to communicate how castles have changed over time. We will explore The Battle of Hastings.

RE

Who is a Muslim and how do they live?

RHE

We will look at online relationships and internet safety.

DT

We will learn about mechanisms whilst designing and making our own moving dragons.
